Universal  
USB  
Adaptor

USB CHARGER FOR USE *ON-THE-MOVE*

## Never run out of power again Charge your gear on the go!

PHONE • MP3 PLAYER • GPS • TABLETS & MORE

### Why choose Power Buddy?

- Safe, secure charging of most portable electronic devices - phones, MP3 players, GPS, tablets and more.
- Plug-and-Play - easily installs into your power wheelchair or scooter's charging port.
- Built-in LED lights illuminate your path and raise awareness of your presence. Focussed beam - minimizes disturbance to others.
- Peace of mind knowing that your mobile phone is always charged.

Check out these great features:

#### USB Charge Port

Internally protected USB port safeguards both vehicle and devices.

#### Powerful LED Lights

Raise awareness of your presence - see and be seen

#### Flexible Swan Neck Design

Position Power Buddy exactly where needed

#### Easy To Install

Simply plugs into your vehicle's XLR charging port

#### Independent Light Control

Easy-to-use, durable light switch.
